

Burns Lake Fire / Rescue

(Policy Manual – Section C– New Applicants)

Application for Membership Admission.

- C1 All new applicants must fill out an application form detailing their experience, training, education and personal information. This application will be forwarded to the membership committee as per **Policy B5**. Except in extraordinary circumstances new recruits will only be brought on up to three times a year, in June, September and in January.
- C2 All new applicants must have the following minimum qualifications;
- be 19 years of age at the time of their application, or join as a junior member if between the age of 17 and 19,
 - completion of grade 10,
 - possess a valid driver's licence, of a minimum class 7,
 - be in good physical shape, and
 - reside within the boundaries of the Burns Lake Fire Protection Area. An exception to this may be made for a new member who resides outside the area, but works in the area, and can attend emergency calls during business hours.
- C3 A new applicant will be expected to attend a minimum of three consecutive practices prior to being confirmed as a recruit candidate.
- C4 A new recruit candidate **must** successfully complete the following modules of the EXTERIOR ATTACK modules of the BC Fire Service Minimum Training Standards (the "Playbook"), prior to being issued a pager;
- Fire Department Orientation
 - Safety and Communications
 - PPE
 - SCBA

A new recruit must complete these modules within 3 months, or they may be asked to step down.

A new applicant who joins the fire department, and can demonstrate their training to the BC Interior Attack Program, or greater, shall be exempt from the previous requirements of C4 except for Fire Department Orientation.

Having read the above statement, I _____ fully understand and agree with this process.
